

Statewide Policy Priorities

Keeping Alaska Native Stock in the Hands of Native Family Members

- Urging the State of Alaska to adopt legislation that would amend State law regarding the disposition of ANC shares.

Education Tax Credit

- Restore the Education Tax Credit to 100% for up to \$300,000 of dollar-to-dollar educational contributions. [READ MORE](#)

Formation of boroughs around lands under Native jurisdiction

- Amend Title 29 or 3 AAC 190.110 to require the Local Boundary Commission to obtain explicit consent via board resolution from the existing Alaska Native Corporations (Village and Regional) within the proposed boundaries of a municipality or borough
- Allow affected communities the opportunity to exclude or “opt out” existing private lands and other assets from any proposed new borough or municipality
- Provide for a process for AVEs to “opt out” of future borough or municipality and retain these lands

ANCSA 14(c)(3) Lands

- Develop a standard operating procedure at the State level to return 14(c)(3) lands to Appropriate Village Entities (AVEs)

Federal Priorities

Equitable Revenue Sharing:

- 3% of all Royalties from the 10-02 Area of ANWR will be shared with Alaska Native Corporations

Contaminated Lands legislative objectives:

- Swap undesirable ANCSA lands with unencumbered federal property
- Adopt mitigation clean-up credits and tax credits for clean-up activities on ANCSA lands
- Require a minimum of bi-annual agency reporting on the status of clean-up on ANCSA lands
- Provide Native contractor preference for clean-up on Native lands

Infrastructure – Energy legislative priorities:

- Ensure that Alaska Native Corporations are included in investing and service opportunities for major public infrastructure project

Healthcare

- Urging Congress to provide automatic eligibility for tribes, tribal Entities, and Alaska Native Corporations into the Federal Employee Health Benefits Program

Protect Native 8(a) Contracting and support increased opportunities for ANC economic development

- 10 % Native Contractor Preference
- Develop solution to require contracting floor (goals) within tier 1 government contracts and make sure these are enforced via audit

ANCSA Amendments

- Amend section 14 c(3) of ANCSA to include language requiring the State of Alaska to reconvey any lands under subsection 14 C (3) without restrictions
